## **miSci Announces New Event: *miBrewology* on September 29<sup>th</sup> – Come Sip into Fall!**

(Schenectady, NY) The Museum of Innovation and Science (miSci) is pleased to announce that it will re-boot its *AfterDark* series for adults age 21+ with a fall first and brand-new special event this month! ***AfterDark: miBrewology*** will be held on Friday evening, September 29<sup>th</sup> at 6:30PM to 9:30PM (VIP early entry at 5:30PM/General Admission opens at 6:30PM). miSci is running a \$5 dollar off flash sale today through this Saturday!

Appealing to aficionados of the science of fermentation – miSci will feature local craft breweries, wineries, and other specialty liquors for a fun evening of sampling the very best distilled products that the Capital District has to offer! There will be onsite science demos and craft cocktail smoker kits and Museum-branded pint glasses will be available for sale in the miSci gift shop.

On-site vendors include: Frog Alley Brewing Co., Middleburgh Winery, Murray's Fools Distilling Co., New Scotland Spirits, Other One Brewing Co., Springbrook Hollow Farm Distillery, and Wolf's Hollow Brewing Co. Local food trucks will offer a variety of choices for every palette: Ben & Jerry's, Flacos Tacos, Iron Works Grill, Michele's Char Pit, and Robb's Topp Doggs

*miSci's AfterDark* programming will appeal to adults aged 21 and older (21 years of age+/ID Required for Entry); miSci Members receive discounts on all public programming.

Proceeds from *miBrewology* support miSci's Education Department and our Museum's year-long informal science learning opportunities in Schenectady and the Greater Capital District as we raise awareness for STEM and STEAM.

For event information, visit [www.misci.org](http://www.misci.org) – from the navigation bar at the top of the page, click on PROGRAMS and then *AfterDarks*.
